Polytuff

- Profile -

Established in the year 1991, we, “**Polytuff**”, are one of the prominent manufacturers, suppliers and exporters of a wide range of Horizontal and Vertical Chemical Pumps. The range offered by us includes **Horizontal Pumps with Mechanical Seal for Gland Packing, Horizontal Self Priming Pump with Mechanical Seal or Gland Packing, Vertical Sealless Sump Pump, Vertical Sealless Glandless Pump with Bearing Body and Vertical Sealless Glandless Monoblock Pump**. Manufactured out of best quality plastic raw material like **UHMW-PE, Polypropylene, PTFE, High Nickel Alloys, Hastelloy, Titanium, Carbon, SS 304-316, Alloy-20, MS and C.I Castings**, these pumps are widely appreciated for their features like rugged construction, simple designs, reliable performance and minimum power utilization. Owing to these features, these products find their wide application in many industries like pharmaceutical, fertilizer, steel, galvanizing & pickling, paper, vegetable oil and effluent treatment plants gas scrubber, to name a few.

We have established a sophisticated manufacturing unit, which is spread across a wide area of 7000 sq. feet. This department is well-equipped with various advance machines and equipment. **Under the able guidance of our director, “Deepak Khanna”**, we have been able to maintain a strong foothold in the industry.
